

What is a GSA Schedule?

The GSA Schedule, also known as Multiple Awards Schedule (MAS) and Federal Supply Schedule (FSS), **simplifies selling products, services, and facilities to all U.S. Government agencies.** Schedules provide an efficient way to connect government buyers to any size business which produces high-quality products and state-of-the-art services.

The GSA Schedule process **allows purchasers an easy way to buy all in one place.** Put simply; the GSA Schedule acts like an Amazon for government consumers. Additionally, **GSA contracts are government-wide,** meaning they can be utilized across all government agencies, including the DOD, FEMA, the Department of Energy, and many others. These high profile agencies can **develop your business for the future.**
