

What is a VOSB Certification?

Veterans in the United States deserve extensive support and assistance for their outstanding duty in keeping the country safe. To **help Veterans returning home, Veteran-Owned Small Business (VOSB) Certifications were put in place to give firms access to millions of dollars of government spending.**

With decades of experience helping businesses with VOSB Certifications, we have the knowledge to help you every step of the way. To see if your business qualifies, contact us at any time.

Vets First Verification Program

The U.S. Department of Veterans Affairs offers a Vets First Verification Program. The government instituted this program to check the eligibility, ownership, and control of Veteran-Owned Small Businesses.

With B2G Connect's help, you can pass the Vets First Verification Program the first time and receive government contracting to bring your business to the next level.

VOSB Certification Benefits

Business must be 51% owned and controlled by a Veteran. A VOSB/SDVOSB Certification will give your business recognition amongst government buyers. It will also present a level playing field to help your business succeed. More benefits include:

- Access to a broader procurement pipeline
- Access to SBA Office of Veteran Business Development
- Marketing benefits of using the VOSB logo
- 3% of federal contracts set aside for VOSB

VOSB Certification Eligibility

Though eligibility ranges from a case to case basis, there are a few main qualifications that your business must meet to be eligible for the VOSB Program, including:

- Business must be 51% owned and controlled by a Veteran U.S. citizen
- Veteran must hold the highest officer position and receive the highest compensation in the company
- Business must be properly licensed by federal and state government
- Veteran has no federal debts or obligations outstanding
- Access to DD214 form
