

The Veteran Owned Small Business Certification

The VOSB Certification verifies that your business is owned and operated by a U.S. military veteran. It gives government agencies and corporate buyers confidence in selecting qualified veteran-owned businesses for contract opportunities.

This certification is essential for pursuing veteran set-aside contracts and gaining access to exclusive programs, funding, and support. It's a strategic move that increases your visibility, strengthens your credibility, and positions your business for long-term success in the government marketplace.

Benefits

Stand out as a veteran-owned business in a government space committed to supplier diversity, with:

- Access exclusive federal, state, and local veteran set-aside contracts
- Gain visibility with agencies and primes seeking veteran-owned vendors
- Increase trust and credibility with government buyers
- Qualify for veteran-specific training, mentorship, and funding opportunities
- Strengthen your position when bidding on competitive government contracts
- Join a nationwide network of recognized veteran-owned businesses

Eligibility

To qualify for VOSB (Veteran-Owned Small Business) Certification, your business must be at least 51% owned and controlled by one or more U.S. military veterans. The veteran owner must manage daily operations and have full control over strategic decisions. Your business must be a legally registered, for-profit entity located in the United States.

Opportunities

VOSB Certification gives you access to veteran set-aside contracts and makes your business more visible to agencies and primes seeking veteran-owned vendors. It improves your chances of winning bids and growing in the government space.
